

REPORT OF LECTURE

TITLE: BITSAA International – Introduction and Tips and Insights for Campus Placements

SPEAKER: J.Hareesh

DATE: August 24, 2013

VENUE: LT-4

CAMPUS: BITS Pilani K.K. Birla Goa Campus

ABSTRACT:

This talk was an informative talk about BITSAA INTERNATIONAL and insights of campus placements by J.Hareesh, who introduced BITSAA as an organization engaged in a wide range of activities to help connect the BITS students as well as the faculty and alumni all around the globe. Being a manager of a multinational financial services corporation, he shed light on expectations of the recruiters from aspiring candidates. Many students turned up for the talk and actively participated in the question answer round.

SPEAKER BIOGRAPHY:

J.Hareesh, is a BITS alumni who graduated in 2005 with B.E. Electronics and Instrumentation in 2011. He is currently working with renowned American multinational financial services corporation Morgan Stanley as a Relationships Manager and is a part of the recruitment team of the company for IIT Kharagpur, BITS and VNIT. Hareesh has been a part of BITSAA Mumbai chapter and is currently volunteering for BITSAA International as a Director of People Strategy.

SUMMARY OF LECTURE:

Hareesh was glad to talk about BITSAA's major contribution in successfully launching BITS Connect 2.0. He gave a summary of BITSAA's initiatives for instance BITS2IAS, BITS2MSPHD, BITS2MARATHON. He gave an overview of how BITSAA International engages in charitable and educational activities by raising funds for setting up endowments, creating scholarships, rewarding teaching and research. It also aims to strengthen the ties, friendship and communication amongst students, alumni, faculty and friends of institute. He gave tips and

insight of the campus placements and general idea about the student profile that recruiters look for. Through the question answer round, the students cleared their several doubts.
